

Consider yourself kissed tenderly every single day
Consider yourself kissed when I'm far away,
Consider yourself told your divine
Though I'm not with you,
Consider yourself mine, only mine,
When ever yóur fe~~el~~ing blue
Watch your glances
Take no chances
Watch that trinkle in your eye,
If you go places
See new faces
Smile, but pass them by,
Consider yourself loved
In your dreams always faithfully,
Whenever that old moon softly gleams
Consider yourself kissed by me.
